PROFILE

ABOUT US

BlakPrint Enterprise Limited is a software development company consisting of a fresh and energetic team of professionals. We were established in 2020 but this does not reflect the true experience and knowledge we possess.

Together we possess years of experience in technical and practical knowledge on how to deliver the most demanding projects a client may have in a short space of time. We have delivered on several projects across different sectors such as construction, corporate branding, education, NGO's etc.

The projects meet the stringent requirements of our client's schedule and budget constraints. Our aim is to ensure that our products create value, forge the path to innovation and make people's lives better and more convenient.

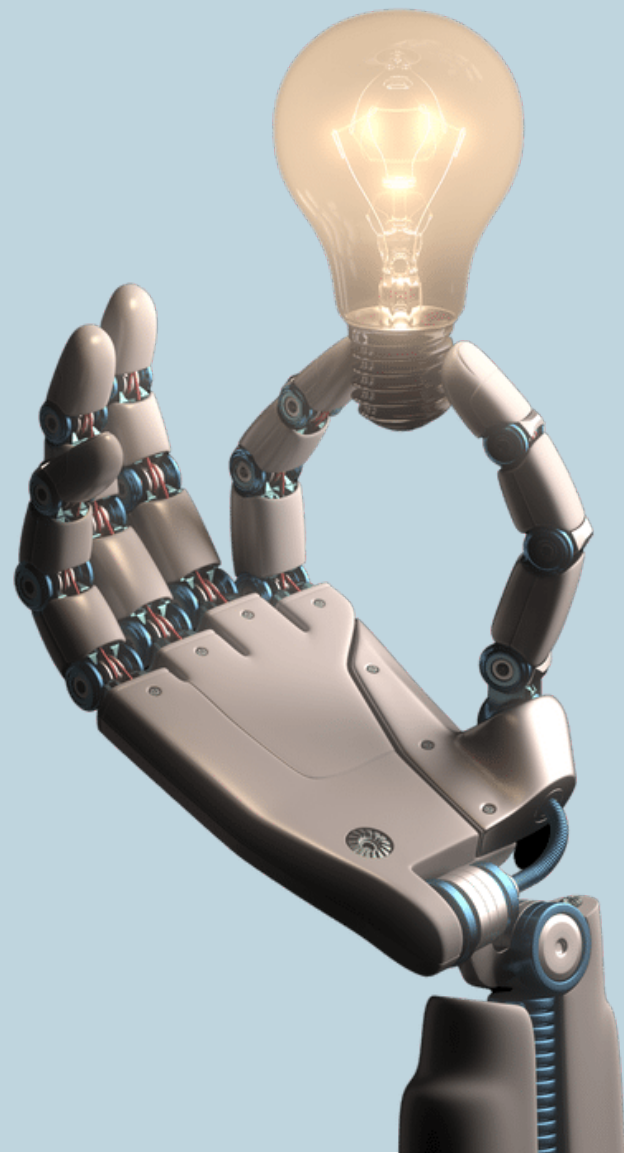

OUR MISSION

provide cost effective high quality innovative solution & services, powered by state of the art technologies, anchored on our basic principles of exploring, innovation and exceeding our client's expectations.

OUR VISION

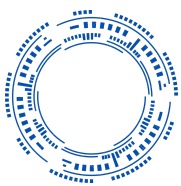

Keep pace with change and continuously strive for innovation while keeping in step with modern technology and methodology. our core value centers on total customer satisfaction and quest towards ensuring good corporate citizenship.
